

INTERN PASTORAL CARE

Job Description

Since an essential part of the Helping Hands ministry is often carried out by interns who serve with us weeks, months, and even a year, we need a worker who is passionate about helping encourage and guide these mostly young people in discovering God's will for their futures. It's important to invest in their lives by sharing our lives and personal testimonies with them, especially in regard to how God led us in making decisions and into missionary service, whether or not this is how He leads them. It also offers a good time to enjoy food and fellowship outside of the work context.

Responsibilities

- Meeting together regularly (at least twice a month) in a comfortable setting, preferably a home - Running a Bible study, book study, etc.
- Offering prayer for special requests individuals or the group may have
- Inviting other team members, visitors, etc. to share how God has led in their lives - Participating in team meetings, activities, retreats, prayer days, Bible studies and all other roles expected of every team member

Essential experience

- A growing walk with the Lord, desiring to know and obey His word and a willingness to share this with others.
- A love for young people and others facing significant life choices in a world of great uncertainty - Considerable pastoral and/or ministry experience

Desired experience

- Cross cultural mission work (short or long term)
- Experience in working with youth
- Farsi/Dari language knowledge or willingness to learn

Salary

This role requires 100% fund raising

There is a genuine requirement that the person filling this role would be a practising Christian who fully agrees with our Statement of Faith.
